Shelter Upgradation Scheme in Nagpur

292. MISS SAROJ KHAPARDE: Will the Minister of URBAN AFFAIRS AND EMPLOYMENT be pleased to state:

(a) the total number of applications received during the last three years in Maharashtra under the Shelter Upgradation Scheme of Prime Minster's Integrated Urban Poverty Eradication Programme, year-wise;

(b) how many cases were approved by the implementing agencies in the State during the said period and the money released by Government for the purpose to the State, year-wise;

(c) whether Government have assessed the progress of the scheme in the State; and

(d) if so, the results thereof?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DR. U. VENKATESWARLU): (a) The number of applications received year-wise under the Shelter Upgradation Scheme of Prime Minister's Integrated Urban Poverty Eradication Programme as reported by the State Government is as under:—

1995-96	Nil
1996-97	1018
1997-98	Nil

(b) The number of cases approved are as under:

1995-96	Nil
1996-97	One case-Rs. 10000/-
1997-98	Nil

Central share released year-wise is as under:

	(Rs. in lakhs)
1995-96	548.60
1996-97	512.9095
1997-98	360.540 (50%)

(c) and (d) Progress report in the prescribed format is required to be submitted by the State Governments periodically. No report has been received from Maharashtra so far.

Development of Small and Medium Towns in Vidarbha

293. MISS SAROJ KHAPARDE: Will the Minister OF URBAN AFFAIRS AND EMPLOYMENT be pleased to state:

(a) how many small and medium towns in the Vidarbha region of Maharashtra have been covered under the Integrated Development of Small and Medium Towns (IDSMT), alongwith district-wise details thereof;

(b) how these towns are being developed under IDSMT; and

(c) what assistance is being provided by the State Government in implementing IDSMT in the Vidarbha region?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DR. U. VENKATESWARLU): (a) So far, 15 towns in Vidarbha region of Maharashtra State have been covered under the IDMSI Scheme. Districtwise list of these towns is annexed as Statement *(See* below).

(b) These towns are being developed under IDSMT by improving their physical and economic infrastructure so as to enable them to emerge as regional centres of economic growth and employment and facilitate arresting migration of population to large cities/towns.

(c) The State Government is also providing financial assistance (State share) for implementing the IDSMT projects in various towns. As per the Revised Guidelines of IDSMT Scheme, Central assistance and State share are required to be provided as grant in the ratio of 60:40. The quantum of financial assistance varies according to the population category of each town.

Statement

Districtwise list of Towns in Vidarbha region of Maharasthra State which have been covered under the IDSMT Scheme

Allotement of DDA Flates/Plots without water and electricity

294. SHRI GHUFRAN AZAM: Will the Minister of URBAN AFFAIRS AND EMLOYMENT be pleased to state:

(a) whether Government are aware that DDA has recently allotted flats and plots in Rohini and other areas of Delhi, without making provision for water and electricity therein;

(b) if so, the details thereof, alongwith the reasons therefor; and

(c) by when water and electricity connections would be provided to allottees of these flats/plots on demand, completing the development works relating to electricity and water, in coordination with other related agencies, so that allottees could live in these flats and owners of plots can start construction of their houses without any further delay?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DR. U. VENKATESWARLU): (a) and (b) Yes Sir. The DDA has reported that the following flats have recently been allotted in different colonies mentioned below where electricity is not available:

	SFS	MIG	LIG	EWS
Rohini	—	482	420	1890
Kondli Gharoli	53	13	—	587
Narela	—	158	338	1274
Dewarka	—	240	80	—

As an interim arrangement, water has been made available through tube wells wherever it was considered possible to do so.
